Accenture Entry Level Apprentice

PROFESSIONAL SUMMARY

Currently enrolled as a second-year student at Austin Community College pursuing a degree in Computer Information Systems. Acquired thorough Java knowledge by completing multiple programming projects in my Object-Oriented Programming: Java and Java Programming (Intermediate) courses. While taking Computer Programming: Scientific Python and Intermediate Computer Programming: Python I worked on weekly projects that used different python libraries for data analysis. Interested in building knowledge in DevOps and Applications Development among others.

SKILLS

- Programming Languages: Python (NumPy, Panda Matplotlib and Seaborn)
- Java (methods, classes, interfaces, inheritance hierarchies, polymorphism, data structures and algorithms)
- SQL (write joins, views, and queries)
- PL/SQL
- Microsoft Office (Word, Excel, PowerPoint)
- Web Conference: Cisco WebEx
- Google Meet & Zoom
- Agile and Waterfall Project Management Knowledge
- Bilingual (reading, writing and speaking) in Spanish

EDUCATION
